

2024 JET Program Information Sessions

The Consulate General of Japan in Honolulu is pleased to announce that the online applications for the 2024 JET Program will open on Monday, September 25th!

Since 1987, JET has sent more than 77,000 participants from around the globe (including more than 39,200 Americans) to work in schools, boards of education, and government offices throughout Japan. With 50 countries worldwide currently participating in JET, this program offers a unique cultural exchange opportunity to meet people from around the world while living and working in Japan. Join us for the adventure of a lifetime!

The JET Program offers young professionals the opportunity to work in Japan as either Assistant Language Teachers (ALTs) or Coordinators for International Relations (CIRs).

For more information and link to the online application, please see the official website at: <https://jetprogramusa.org>.
