## **Searching for Centenarian Japanese Nationals**

September 15th is the Respect-for-the-Aged Day, which honors the elderly. On this occasion, the Japanese Government will present the elderly, who have reached the age of 100, with a congratulatory message and a commemorative gift. Japanese nationals are to receive this recognition from the Prime Minister of Japan. This recognition is presented once to every person who reaches the age of 100.

In order to facilitate the presentation of these honors, we are presently gathering information of those who were born by March 31, 1925 (the person's name, birth date, telephone number and maiden name, if applicable). If you know of someone who meets the above criteria, please fill out attached sheet and send it to us by Friday, May 10, 2024, at Consulate General of Japan, 1742 Nuuanu Avenue, Honolulu, HI 96817, calling at 808-543-3111, or emailing at [ryoji@hl.mofa.go.jp](mailto:ryoji@hl.mofa.go.jp).
